► **IMAGINATION** 37th Season Finale

Sunday, June 13, 2027 | 7:30 p.m.

Rimsky-Korsakov built "Scheherazade" on a storyteller's gamble: a thousand and one nights of invention, with her life riding on every new story. A solo violin plays the storyteller. The orchestra plays everything she conjures, shipwrecks and festivals and a sultan slowly talked out of his cruelty. Forty-five minutes of pure imagination, and the close of our 37th season. Come find out why audiences have leaned forward for this one since 1888.

VENUE: FIU Wertheim Performing Arts Center, 10910 SW 17th St., Miami 33199
